

This site currently covers the west-Northamptonshire villages of:

Barby | Crick | Kilsby

The site is designed to enable other local village communities to join, providing an in-depth resource for historical research (including family tree research) in west Northamptonshire and neighbouring villages over the borders of Warwickshire and Leicestershire.

Each village has its own front page, providing access to a range of information about the village and its history. The site contains a large database of local history information.

Do you have information to add?

We are always interested in new historical material - so if you are visiting the site and have historical material that you feel might be of use to any of these local communities ... we want to hear from you! Please [email us](#) with brief details.
